MEMORANDUM FOR: Director of Communications

FROM: M. Corley Wonus  
Director of Technical ServiceSUBJECT: Manpower Support for Certain Agency  
Communication Functions [ ]

25X1

REFERENCE: D/OC Memo OC-M83-017 to D/OTS dated 7 Jan 83,  
Subject: Changes to 1977 OTS/OC Memorandum  
of Agreement

1. At the request of the DDA, responsibility for the functions described in paragraph 1.a. and 1.c. of reference was transferred back to Office of Communications from the Office of Technical Service through the approval of the DDCI on 9 November 1978. Our records show that appropriate personnel adjustment was made at that time. Regardless, an attempt to make position adjustments five years after a related policy decision was made is clearly out of the question.

2. It was agreed at our [ ] meeting that responsibility for the functions described in paragraph 1.b. would be transferred back to OC, and it was made very clear at that time that there would be no associated position transfers. We assumed that the small amount of required manpower for this function would be absorbed by existing resources, as we had done in OTS. As was pointed out at [ ] meeting, we stand ready to assist you as you discharge this important responsibility, but insofar as position transfers are concerned, we intend to abide by the terms of the November 1982 agreement.
